SEND

Because we are made in the image and likeness of God, each one of us has dignity and must uphold that dignity. Welcoming those who are on the move is part of who we are as a universal Church.

Jesus, many times you were called to live outside your home. Help us to recognize within each of our brothers and sisters the dignity you bestow on us and give us the ability to reach out to those who are on the move. Give peace, safety and prosperity to each of us, but most especially those who are looking for it the most. Amen.
