6. What do you think about giving God 12 minutes/day in prayer?

SEND

The Lord desires to be near to us in prayer. Prayer is as simple as a conversation, we just have to be willing to have it with the Lord. The Lord is alive in the Scriptures and he shows us his goodness, we just have to seek him out.

Let us pray:

Lord, we desire to be in a relationship with you. We want to be close to you and to hear the ways you're working in our lives. We are sorry for the ways that we have ignored you in prayer and hope that we can be close to you once again. We love you Lord, Amen.
