

## **CREIGHTON MODEL FERTILITYCARE™**

Integrating Spousal Meaning of the Body with Knowledge of  
Fertility and Infertility

Presented by Robert Conkling MD, FCP and Michaela Dasteel, FCP

**December 5, 2009 at 11 a.m.**

**St. Mary's Lyceum of St. Mary's Catholic Church  
(313 Duke Street, Alexandria, VA)**

Creighton Model FertilityCare™ is a reliable and versatile natural family planning system – a method for charting a woman's cycles of fertility and infertility. Additionally the session will address how to use this information to evaluate reproductive and gynecological disorders which can be treated with NAPROTECHNOLOGY – including morally licit medical and surgical treatments for impaired fertility.

For more information, please visit:

[www.fertilitycare.org](http://www.fertilitycare.org)

or

[www.AAFCP.ORG](http://www.AAFCP.ORG)

Lecture fee:

\$15/person or \$20/couple  
(married or engaged)

Registration at the door only

Questions? Call (202) 320-8834 or e-mail [quovadis.lifecoach@gmail.com](mailto:quovadis.lifecoach@gmail.com).

After the session, interested couples may opt to proceed with individual training in the Creighton method (also available in Spanish). Lecture fee will then be credited toward cost of manual and charting materials. Attendance at this lecture counts toward marriage preparation requirements in the Diocese of Arlington and the Archdiocese of Washington, DC.
